

Medical Center Goals 2011

Mission Statement

The MISSION of the Battle Creek VA Medical Center is to honor America's Veterans by providing exceptional health care that improves their health and well-being.

Vision Statement

The VISION of the Battle Creek VA Medical Center will continue to be the benchmark of excellence and value in health care and benefits by providing exemplary services that are both patient centered and evidence based.

This care will be delivered by engaged, collaborative teams in an integrated environment that supports learning discovery and continuous improvement.

It will emphasize prevention and population health and contribute to the nation's well-being through education, research and service in National emergencies.
